Re: Honorary President of EIWC

I would like to express my deep appreciation to the Member Clubs of the EIWC for the great honour of appointing me as Honorary President of the EIWC.

While I was surprised to receive such an honour I regard it as the greatest tribute that has come my way during my years of association with the great Irish Wolfhound breed.

I am now working on a new project;
<http://www.irishwolfhoundarchives.ie>
which I hope will be of interest to Irish Wolfhound enthusiasts worldwide.

Again, many thanks to each and every delegate to the EIWC.

Sincerely.

Betty Murphy
